SECTION 1. EFFECTIVE DATE

The policies, rates, charges, and fees set forth herein are hereby imposed and established for the use and benefit of the sanitary sewer system and sanitary sewer services provided by the Munhall Sanitary Sewer Municipal Authority (“Authority”) within the Borough of Munhall (“Borough”) commencing on the 1st day of January 2019 and continuing for each year thereafter, unless otherwise amended or repealed.

SECTION 2. WATER CONSUMPTION

Where rates, charges and fees depend upon the volume of water consumed by a property, such measurements shall be provided to the Authority by the Pennsylvania American Water Company (“PA American”).

- B. All properties connected to the Authority’s sanitary sewer system shall pay a minimum monthly fee equivalent to the charge for one (1) EDU, regardless of actual water consumption.

- D. All unpaid rates, charges, and fees for sanitary sewer services, from the first day due and together with any interest, penalty and costs, shall become a lien against the property.
- E. The Authority may delegate who the Billing and Collection Service it uses.

SECTION 6.

SECTION 7.

All prior resolutions that conflict with this Resolution are hereby repealed only insofar as is necessary for the provisions herein to have full effect, and the remainder of such other resolutions shall continue in full force and effect.
